The Flavor of Paradise®

Dennis' Rubs & Seasonings

Dennis' Citrus Fire Seasoning is a wonderful blend of orange and lemon peel, dill, garlic, and other spices combined with a nice kick of heat. Season your steak with it before grilling, coat a chicken before roasting, put it on pork chops, vegetables, or in potatoes. We've even sprinkled it in popcorn. It's great citrus flavor and wonderful kick of heat. Dennis' Citrus Fires Seasoning has no preservatives, is lower in sodium, and is gluten free.

Dennis' Sweet Smokin' and Grillin' Rub adds just the right touch of sweetness and spices to enhance the flavor of any meat in your smoker, on your grill, or in your oven. The unique flavor of cinnamon paired with cumin and smoky paprika adds just the right flavor. Use it on pork shoulder, brisket, ribs, or chicken. It's a great blend of spices that your pantry shouldn't be without. Dennis' Sweet Smokin' & Grillin' Rub is gluten free.

At Reva Foods, we believe gourmet food can taste great and be good for you. Dennis' rubs and seasonings are all natural with no preservatives. They're packaged in safety sealed, shaker top plastic jars and packed in 12 count cases. Food service sizes and private labeling available.

If you're interested in having Reva Foods' rubs and seasonings, please don't hesitate to contact us. We look forward to partnering with you soon. Please contact us at sales@revafoods.com.
