Dennis' Pineapple Salsa delivers the sweet flavor of pineapple in a richly textured, tropical fruit salsa. It's an excellent topping for fish, chicken, and adds a pop of flavor to any taco. Or it's great with chips and the requisite margarita.

Dennis' Mango Salsa has chunks of sweet mango in a flavorful blend of tomatoes, herbs and spices that will elevate any seafood, chicken, or pork dish. Try it on nachos, tacos, or accompanying quesadillas. It's sure to please any palate.

Dennis' Fiery Red Salsa is a traditional salsa that celebrates the sweet flavors of poblano, serrano, and habanero peppers. Combined with the right balance of garlic, lime, and cumin, it delivers robust flavor on burritos, tacos, or tostadas. Try in a bowl of plain pasta with a dollop of goat cheese; amazing! Available in medium and hot.

Dennis' Blueberry Salsa is a uniquely flavorful salsa that brings the sweet flavor of blueberry into your smoothie, to your morning yogurt, or even as an appetizer over a brick of cream cheese. Try it on chicken, on pancakes, or even waffles.
