Dennis' Pineapple BBQ Sauce lends a wonderful tropical flavor to any grilled, baked, or sautéed seafood, especially salmon. Use it as a marinade with chicken, or flank or skirt steak. Use it as a dipping sauce for chicken tenders or shrimp.

Dennis' Mango Habanero BBQ Sauce is the perfect marriage of sweet and heat. It starts with the sweet, tropical flavor of mangoes followed by enough of a kick of heat to make it interesting. It's made for chicken or pork but is amazing on any type of seafood. Drizzle it over oysters on the half shell.
